

WISCONSIN
**CONCRETE
PAVEMENT**
ASSOCIATION

Moving forward with concrete results

A wide-angle photograph of a long, straight concrete road stretching into the distance. The road is flanked by green grass and trees. The sky is blue with scattered white clouds. The text 'WCPA BENEFITS OF MEMBERSHIP' is overlaid in the center of the image.

**WCPA
BENEFITS
OF MEMBERSHIP**

Be a Wisconsin Concrete Pavement Industry Partner

Support, Influence, and Promote YOUR Industry

WHO WE ARE

The Wisconsin Concrete Pavement Association (WCPA) is the statewide professional association of the concrete pavement industry. Since 1952, WCPA has been committed to representing the interests of our members by promoting the benefits of concrete pavement. Our full-time staff works to promote and improve the concrete pavement industry in Wisconsin by providing a resource for education and research, developing new markets and technology and fostering a membership dedicated to building meaningful public and private partnerships for the purpose of promoting the use of concrete pavement as the best pavement value.

The members of the Wisconsin Concrete Pavement Association (WCPA) are Wisconsin-based contractors, cement and ready-mix producers, manufacturers, and suppliers. Our current membership consists of:

- * 9 Paving Contractor Members
- * 11 Cement Producer Members
- * 1 SCM Producer Members
- * 7 Dowel Bar Supplier Members
- * 9 Contractor Members
- * 8 Admixture Members
- * 50 Associate Members

MEMBER LEVELS

Paving Contractor - Contractor member that owns slip-form paving equipment and whose primary business activity is concrete paving.

Contractor - Concrete contractor member that typically constructs ancillary concrete such as curb and gutter, sidewalk, driveway, fix-form concrete paving and/or cast-in-place barrier.

Cement Producer - Company that produces and supplies hydraulic cement to the paving industry in Wisconsin.

SCM Producer - Company that produces or supplies hydraulic cement to the paving industry in Wisconsin.

Dowel Bar Supplier - Company that manufactures and/or supplies dowel bars to the paving industry in Wisconsin.

Admixture Company - Company that manufactures and supplies concrete chemical admixtures to the paving industry in Wisconsin.

Associate Member - Companies supplying ready-mix concrete, construction materials and supplies, equipment, testing services, insurance, professional engineering services and other products or services that support and align with Wisconsin's concrete paving industry.

BENEFITS OF WCPA MEMBERSHIP

Wisconsin Concrete Pavement Industry Partner - Support, Influence and Promote your Industry.

Enhance Your Networking Opportunities in the Concrete Pavement Industry – Interact with companies and individuals with a vested interest in your industry.

Technical Support – WCPA staff are Engineers & Licensed Professional Engineers in the State of Wisconsin providing members, Wisconsin Department of Transportation (WisDOT), Cities, Counties and consultants with engineering and technical expertise related to concrete and concrete pavements.

Troubleshooting – WCPA staff regularly participates and supports our membership in troubleshooting on construction projects. Members consistently report the value of our credible voice and helpful agency relationships.

Enhancement of Your Company's Quality Reputation – Involvement of a company in a trade association is commonly viewed as a “badge” of quality and commitment. WCPA members are consistently recognized for quality work.

WisDOT Annual Paving Forecast – WCPA publishes and distributes a monthly member update of WisDOT concrete pavement projects.

Local Industry news and Paving Forecast – WCPA publishes and distributes a bi-weekly “On the Bidding Table” member newsletter providing bid information on city and county concrete pavement projects along with other industry news and updates.

WCPA/WisDOT Concrete Technical Committee - WCPA leads this joint technical committee and our members, participate regularly at the quarterly meetings. This committee develops WisDOT design and construction standards for concrete and concrete pavements.

Technical Promotion of Local Design and Construction Standards - WCPA staff provides technical support to concrete pavement owners on various pavement issues from concept through construction. WCPA publishes a concrete pavement and flatwork specification guide developed by staff and members which many cities and counties in Wisconsin have adopted in order to provide a consistent and current state-of-the-practice specification.

Concrete Pavement Promotion – WCPA Staff calls on over 300 pavement owners/specifiers per year and attends various industry partner conferences and events promoting the use of concrete pavements. WCPA staff respond to promotion opportunities identified by members on a regular basis.

Education and Training Programs – WCPA staff provides education and training opportunities on concrete pavement design, construction and preservation for members, cities, counties, consultants, and WisDOT.

Statewide Representation – The WCPA is recognized statewide as the “Voice of the Concrete Pavement Industry” providing an avenue for communication with WisDOT, cities, counties, and consultants.

Wisconsin Highway Technician Certification Program (HTCP) – WCPA sits on the Board of Directors for the HTCP program and are primary instructors for the PCCTEC I/II & MDC courses.

National Affiliation – WCPA is an affiliated local paving promotion organization of the American Concrete Pavement Association (ACPA). All contractor members of WCPA are automatically members of ACPA.

National Technical Support – WCPA and ACPA will combine our

technical resources to support your company when additional technical support is required on your projects.

National Award Recognition – WCPA members regularly receive “National Excellence in Concrete Pavement Awards” from the ACPA. WCPA submits Wisconsin projects to the award program annually.

Industry Research Supporter – The WCPA and its members support the national CP Tech Center at Iowa State University advancing concrete pavement research and technology transfer. In addition, WCPA has input with the Wisconsin Highway Research Program (WHRP) Steering Committee and assists in the annual development of applied research projects. We consistently support Wisconsin universities with funding and equipment to accomplish the WHRP projects.

WHAT WE DO

MEETINGS, EVENTS AND TRAINING:

- WCPA member informational meetings
- Annual Concrete Pavement Workshop
- WCPA/WisDOT Concrete Technical Committee meetings
- Annual Roundtable Meetings with all WisDOT Regions, secretary’s office, BTS & BDP
- WisDOT “Corporate University” – This WisDOT program is designed to train construction project personnel WCPA participates in this program by developing and instructing Concrete Paving Inspection and Concrete Pavement Preservation Workshops
- Educational workshops and training programs – WCPA conducts educational workshops and training seminars upon request for members, cities, counties, consultants, and WisDOT staff

ADDITIONAL MEETINGS, EVENTS & TRAINING

American Cement Association (ACA) Meeting:

- Annual meetings
- Government Affairs meetings
- GLCPC Great Lakes Region meetings

American Concrete Pavement Association’s events and meetings:

- Committee meetings
- Government Affairs meeting in Washington D.C.
- Annual Chapter/State Executives meeting
- Mid-Year meetings
- Annual meeting

Construction Management Program

- Bi-annual Advisory Board meeting

Federal Highway Administration (FHWA) meetings

Highway Technician Certification Program meetings

- Bi-annual Advisory Board meeting

National Concrete Consortium (NCC) meetings

- Spring & Fall

Transportation Development Association (TDA) of Wisconsin:

- Washington D.C. Fly-In
- Annual meeting

Transportation Research Board (TRB) meetings

- Annual Conference in Washington D.C.

Wisconsin Transportation Builders Association (WTBA)

- Contractor-Engineer Conference
- Fall meeting

WisDOT Meetings:

- **Secretary and Administrators Meetings**
 - WCPA staff and members attend 2-3 meetings annually
 - Environmental Committee meetings
 - Safety Committee meetings
 - Structure Committee meetings
 - Aggregate Committee Meetings
- **Local Program Advisory Forum meetings**
- **Construction Contract Administration Workgroup (CCAW) meetings**

Wisconsin Highway Research Program (WHRP):

Quarterly meetings of the WHRP Steering Committee and approximately 5-6 meetings of the Concrete Pavement Technical Oversight Committee. The Steering Committee is the Board of Directors of WHRP in which Jackie Spoor currently represents WCPA.

Political fund raising events as requested

WCPA SUPPORTS AND/OR EXHIBITS AT THE FOLLOWING EVENTS:

- American Public Works Association (APWA) Wisconsin Chapter spring and fall conferences
- Wisconsin Aviation Managers Association (WAMA) annual conference
- League of Wisconsin Municipalities annual conference
- Wisconsin County Highway Association (WCHA) winter and summer conferences

SCHOLARSHIP PROGRAMS AND UNIVERSITIES SUPPORTED BY WCPA:

Each year WCPA awards five \$1,000 scholarships to Wisconsin students from our four major universities. All Wisconsin Civil Engineering & Construction Management Students are eligible, with

VISIBILITY

WCPA IS VISIBLE AND ACTIVE WITH THE FOLLOWING ORGANIZATIONS:

- American Association of State Highway and Transportation Officials (AASHTO)
- American Cement Association (ACA)
- American Concrete Institute (ACI)
- American Concrete Pavement Association (ACPA)
- American Council of Engineering Companies of Wisconsin (ACEC)
- American Public Works Association (APWA) Wisconsin Chapter
- American Society of Civil Engineers (ASCE)
- Federal Highway Administration (FHWA)
- Highway Technician Certification Program (HTCP)
- International Grooving and Grinding Association (IGGA)
- International Society for Concrete Pavements (ISCP)
- League of Wisconsin Municipalities
- Mid-America Association of Transportation Officials (MAASTO)
- National Association of County Engineers (NACE)
- National Concrete Consortium (NCC)
- National Concrete Pavement Technology Center (NCPTC)
- National Ready Mixed Concrete Association (NRMCA)
- Transportation Development Association of Wisconsin (TDA)
- Transportation Research Board (TRB)
- Wisconsin Airport Management Association (WAMA)
- Wisconsin County Highway Association (WCHA)
- Wisconsin Department of Transportation (WisDOT)
- Wisconsin Highway Research Program (WHRP)
- Wisconsin Ready Mixed Concrete Association (WRMCA)
- Wisconsin Transportation Builders Association (WTBA)

special consideration given to undergraduate students with junior/senior status or graduate students with an emphasis in transportation, construction management, or materials engineering. WCPA also offers monetary support for programs and student activities in the engineering departments of these universities:

- University of Wisconsin - Madison
- University of Wisconsin - Milwaukee
- University of Wisconsin - Platteville
- Marquette University

In addition, WCPA supports these universities by delivering lectures each year, providing curriculum support, assisting with the purchase of lab equipment, annual sponsorship of professors to the ACPA/PCA professors training, sponsorship of student activities including the ASCE concrete canoe competition and support of other research activities.
